

COVID-19

The coronavirus pandemic forced NYC Pride to shift into virtual formats for 2020 and 2021. While we are pleased to return to a fully in-person format for 2022, we are learning to live in an environment with recurring spikes in COVID-19 case numbers. NYC Pride is committed to bringing the community together in person with basic safety precautions in place to ensure we can celebrate Pride with the lowest possible risk.
