NYC Pride is an organization committed to the wellness of all attendees. Below please find all the ways we are dedicated to enhancing wellness including ways you can contribute to making this a great experience!

Our Part

- Appropriate screenings will be in place for COVID-19.
- Hand sanitizer will be available on site.
- NYC Pride will have roving EMS on site.
- First Aid services will be available in a dedicated wellness area, which will include seating, sunglasses (when applicable), earbuds, water, fans, imagery, and turf. Signage will be easily visible and strategically placed.
- Water will be provided at events for guests and volunteers.
- Volunteers will prioritize the elderly, and others who feel their mental health is at risk during the events.
- Content warnings will be posted in advance. Services will be available to those experiencing sensory processing disorders who may be triggered by loud sounds/music, large groups, bold colors, and on-screen visuals.
- ID’s will be checked at 21+ events. A variety of non-alcoholic beverage/mocktail options will be offered, as appropriate.
- Consideration will be given for dietary restrictions and health-conscious food options. Food signage will be highly visible, and servers will be trained accordingly.

Your Part
