cool. (One) bag of ice is 10 lbs. Exhibitors are responsible for picking up their ice order from the Information Booth
and bringing their ice order to their booth. We welcome the use of freezers and refrigerators but they must arrive
onsite no earlier than 8:30AM. Exhibitors must coordinate their delivery and pick-up directly with their vendors.
Garbage Disposal
Heritage of Pride, Inc., the Producers of PrideFest will participate in the Go Green Festival, as required by law. Sustainable recommendations will be sent out in May 2022 to help exhibitors prepare for our Green Initiatives.

Exhibitors are responsible for hauling their trash to the dumpsters. It is recommended that exhibitors haul their trash multiple times throughout the day to reduce the risk of garbage piles. If found not following the rules for waste management, you will be red flagged and will not be allowed to participate in our event in the future. Block Leads will enforce proper waste management throughout the day.

The Event Producers reserve the right to exclude or terminate an exhibitor’s participation in PrideFest.

HOP Information Booth
Heritage of Pride will have an Information Booth at the festival. The Information Booth will be staffed with knowledgeable volunteers along with maps and itineraries for the day. Exhibitors can go to the Information Booth for details on WiFi, dumpster locations, tents, tables and chairs. Exhibitors who purchased ice during registration must pick up their bags of ice at the Information Booth. Hospitality baskets will also be distributed from the Information Booth. Lost & Found is located at the Information Booth.

Counterfeit/Prohibited Items
The sale of counterfeit merchandise is prohibited by law. The sale/distribution of alcoholic beverages and/or narcotics are strictly prohibited. Any exhibitor found to be in violation of the law will be ejected from the festival and will not be entitled to a refund. All merchandise for sale must be pre-approved by the Event Producer. If you are found selling or distributing unapproved items during the Festival, you may be removed from the premises, forfeiting all fees involved.

Parking
PrideFest is unable to provide dedicated parking for exhibitors or sponsors. Street parking in New York City is free on Sundays. Parking garages are available in the area but exhibitors are responsible for coordinating their parking needs with local garages.
